# CASCADE™

Aqua-Aire™ keeps the resident comfortable while the spa is being filled with water from the reservoir. The height adjustable one-unit transfer eliminates care-giver back strain and allows the resident to face forward and maintain eye contact with the bath attendant.

**Design your bathing area with color.**

# Side-Entry

The CASCADE™ Side-Entry Series with Aqua-Aire™ is designed to give the resident a comfortable and dignified bath. The care-giver will enjoy the innovative design with the following features:

The spa is available with either  
Right or Left side-entry.

The CASCADE™ door is built to  
withstand the everyday rigors  
associated with the bathing environment.

Resident always facing forward maintaining eye contact with the care-giver.

Aqua-Aire™ for a more relaxing bath  
Shampoo & bath oil dispenser  
Hand held shower wand  
Digital thermometer for incoming & bath water  
Built-in hot water shut-off  
Automatic disinfection system

Removable seat cushion for easy cleaning  
Open seat cushion for better hygiene  
Seat belt

All in one transfer and scale  
Height adjustable - No need to lift feet  
No back strain for the care-giver  
Stainless steel water components
