Affordable Culture Change

Cascade Premier

with Right or Left Door

The Cascade Premier Spa is shown in cherry wood grain. It is also available in walnut or oak wood grain. Cascade Premier Spas are available with right, left, or end-opening doors. Enjoy the ultimate bathing experience while watching TV, a DVD or listening to soothing music in a home-like atmosphere.

Cascade Premier

with built-in transfer seat

Cascade Premier Side-Opening Spa with height adjustable space-saving post transfer seat and optional scale

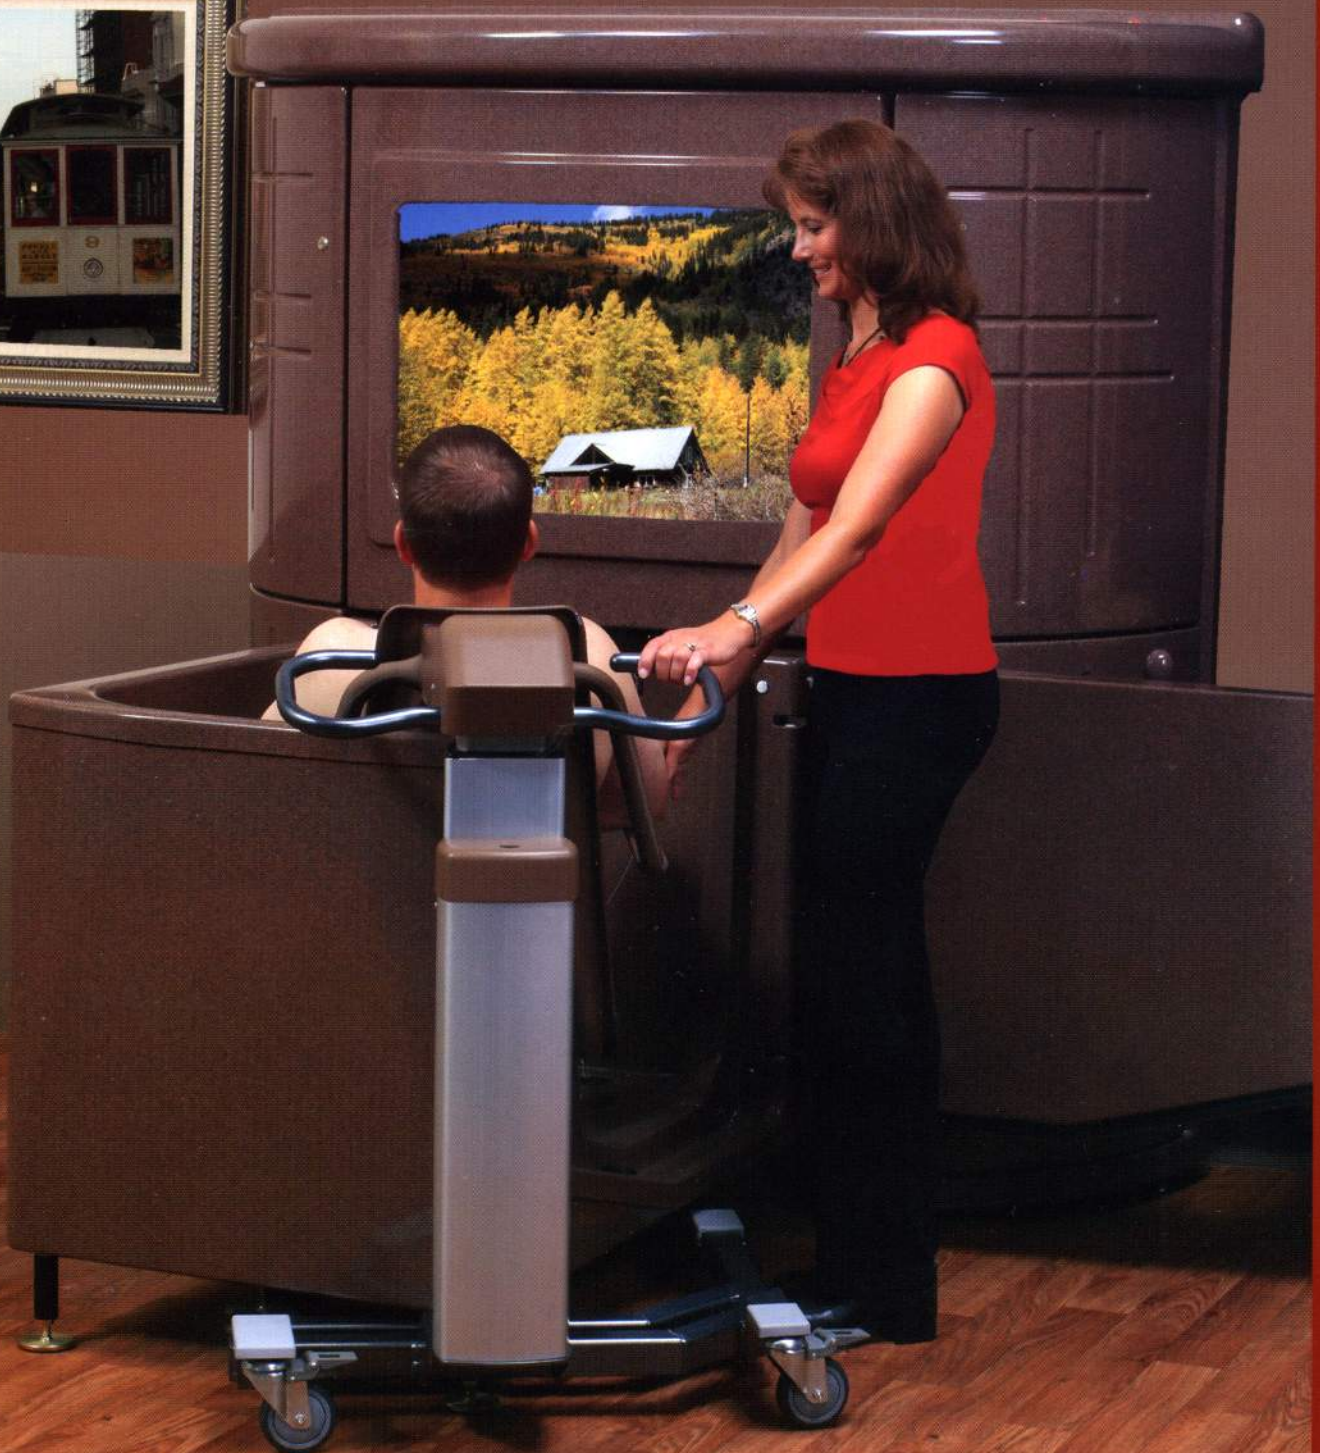

Cascade Premier

End-Opening Door

Cascade Premier End-Opening Spa has no inside rails or detachable seat to adjust or level

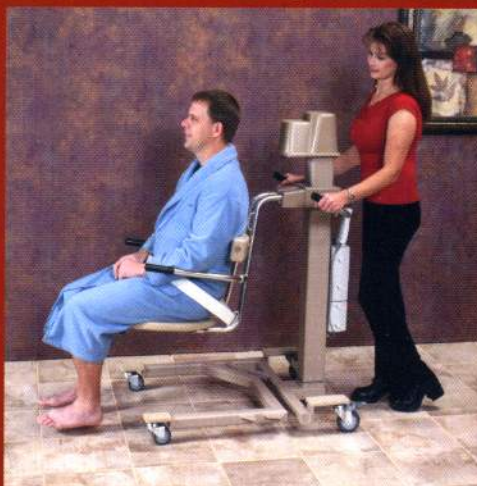

Cascade™ Premier Elite

The Cascade Premier Elite Spa with a mobile transfer. The comfortable high back seat is height adjustable allowing an effortless transfer into the spa.

Cascade™ Premier Unique Benefits

For the benefit of the resident and the convenience of the care-giver all Cascade Premier and Premier Elite bathing systems have: Shampoo & bath oil dispensers, hand held shower wand, digital thermometer for incoming and bath water, built-in hot water shut-off, automatic disinfection system, Aqua-Aire™ for a more relaxing bath

The all in one transfer and scale is height adjustable.
Eliminating the need to lift the feet and risk back strain.
The water components are stainless steel or steel encapsulated
All transfers have swing-away detachable arms.
400lb transfer.....UL and CUL classified

The Cascade™ door is built to withstand the everyday rigors associated with the bathing environment.

All controls are conveniently located
